## Founding Ideal

Founded in 1970, the founding ideal of Sun Moon University is 'Love for God, Love for People and Love for Nation'.

This ideal is the basis for Sun Moon University to realize the Ideal of 'Hongik Ingan', which is the humanitarian ideal for the Korean education and the ultimate goals of the Korean education to 'build up one's character, cultivate one's independent capacity, raise the quality of a democratic citizen, pursue a humane life, contribute to develop a democratic country and realize ideals of human prosperity'. It also serves as the backbone of the educational goals and aims of our Sun Moon University.

The founding ideals of Sun Moon University are 'Love God, Love Humanity and Love our Country' which are deeply rooted in 'True Love'.

The most precious value is the True Love of God worshipped by all human beings and followed by religions.

True Love is the basis of truth, goodness and beauty and becomes unshaken and unrivaled love forever. In addition, pure, beautiful and sacrificial love is the care for each other unconditionally.

'True Love' serves as the driving force for creation, breeding and development. The more love is given, the more human beings are flourished.

People will become happier, more vibrant and more pleased when they feel and practice 'True Love' in their daily life.

People born by the True Love can enter the world of eternal happiness by pursuing 'life of sacrifice' according to the properties of true love.

This is what God is meant to be and is the highest ideal that human beings desire.
